Please respond, if you do not consent let me know so I can make a judicial application.

If I do not hear by end of day tomorrow I will make an application without your position.

Until this issue is sorted out, plaintiffs withdraw their previous demands. When plaintiffs have new demands I will inform you.

Thanks.

The video provided has gaps where there is nothing to see. Please provide a copy via email or google drive so I can determine whether these gaps are a function of the medium or actual issues with the video. Thanks.
